

## AUSTRALIAN INVESTIGATORS & COMMERCIAL AGENTS SCHEME INSURANCE PACKAGE

**MAKE THE SWITCH TODAY AND SAVE THOUSANDS ON YOUR PREMIUM  
AND GET THE EDGE ON THE COMPETITION**

WHITE Insurance Brokers and the Association of Investigators & Security Professionals are delighted to announce the launch of the AICAS - Insurance Package, which is underwritten by Lloyd's of London and has been specifically tailored for all Investigators, Mercantile Agents, Process Servers, Repossession Agents, Claims Managers and Credit Managers and provides the following package cover,

**\$5 Million - Professional Indemnity (Master Policy)**  
**\$10 Million - Public & Products Liability**  
**\$30,000 - Fidelity Guarantee**

### Get a competitive edge

The insurance package has been designed to provide you with appropriate cover to meet **ALL** Australian state licensing requirements and to give you a competitive edge when tendering for contracts. Full details of the scheme are available from WHITE Insurance Brokers on [info@whiteinsure.com.au](mailto:info@whiteinsure.com.au) and are posted on the AISP Website. ### Compare prices and save

In Victoria, the complete package premiums, inclusive of all fees and charges, start as low as \$1620 and range up to a maximum of \$2648 for businesses with turnovers of up to \$1 Million and staff up to 20. For businesses with larger turnovers a competitive quote will be obtained. Just ask for a quote, compare prices then switch and save.

### Consider cancelling your current insurance and benefit from the savings

Due to the very low prices of this scheme, it may be financially beneficial for you to cancel your existing policies, collect the refund of the un-expired premiums and take out the AICAS insurance package.

### Why you need insurance

The Financial, Banking, Insurance, Government and Private Business sectors are increasingly stipulating the compulsory requirement for contractors to have suitable insurance cover in place, prior to tendering for most contracts. Many businesses have failed to win tenders due to inadequate insurance cover. If you or your sub-contractors are uninsured, how do you propose to win tenders or, alternatively, pay for a claim if an accident or professional error occurs? At these prices, why risk it.

To enable us to assist you with all your insurance requirements, please **complete the details below and return by fax on (03) 8790 5702**. We will e-mail you a proposal form before your current insurance policy expires or immediately should you not currently have insurance or if you want to switch insurance and take advantage of the huge savings.

If you have any questions, please do not hesitate to ask. Thank you for your support and we look forward to working closely with you and all the AISP members.

Yours faithfully,

Richard White  
Managing Director
